FOREWORD

WE, THE SENIOR CLASS OF 1932, PRESENT THIS THIRTEENTH VOLUME OF THE "ROCKET" AS A RECORD OF THE ACTIVITIES AND ACHIEVEMENTS OF THE PAST YEAR :: :: :: ::

DEDICATION

TO OUR PARENTS, IN RECOGNITION OF THEIR MANY SACRIFICES, KINDLY PATIENCE, AND UNTIRING DEVOTION, WE, THE SENIORS OF MAYVILLE HIGH SCHOOL, RESPECTFULLY DEDICATE THIS "ROCKET" ::

TO OUR PARENTS

The Class of '32 in dedication
To you, our Parents offers this, our work,
To be your visible commemoration
For what you did for us, nor will we shirk
To pay the debt, but later,
When we are gone upon the walks of life,
Perhaps this record of our Alma Mater
Will tear your thoughts away from business strife
And let them linger
Upon the memories of childhood days,
When school and parents formed the mould
That shaped our habits,
Formed our lasting days.

FACULTY, BEWARE!

"I often wonder," the pupils sometimes say,
"Why teachers squeeze exams all into one day."
And I've often lain awake throughout the night,
Wondering and wondering if they can be right.
The night before one of those awful days,
After studying for hours 'till my head seemed dazed,
I dozed into slumber and had a dreadful dream
From which I awoke with an awful scream,
For I saw St. Peter at the Golden Gate,
And outside—the teachers awaiting their fate,
There was sorrow on their faces and tears in their eyes,
But St. Peter was not moved by their mournful cries,
And the doors were not opened for them to go in.
Take heed, oh my teachers, that this be not you sin!

Juniors

With one more year of school left, the Juniors are planning to have their name engraved once more on the intramural sports cup. Having won the honor this year by a wide margin, they are well qualified for the position. With several people on the debate squad the past year, their chances of winning the forensic cup are also good.

Eleven Juniors received M's in football and one received an M in basketball.

Three Juniors were on the debate squad, and three members of the class took part in the Oratorical and Extemporaneous Speaking contest at Hartford, Delor Herzberg winning third place in Oratory.

Many members of the Festival chorus and Band were chosen from the Junior Class, and many were in the regular band and music classes.

A class party was held during the year. The climax of the year, however, was the very successful Prom. The Grand March was led by Vernon Schellpfeffer, and Cleo Buerger. Emil Deanovich was chairman of the decorating committee.

Officers for the year were: Vernon Schellpfeffer, President; Lawrence Kinsley, Vice President; Cleo Buerger, Secretary, and William DeWitt, Treasurer. Miss Busse was class advisor.

The Class of '34 has taken part in a number of school activities this year, a large number of boys taking part in basketball and football, one girl in forensics, two winning honors in declamatory work, and all music departments well represented.

Two parties were given by the class. In commemoration of the Washington Bi-Centennial, the Sophomore and Freshmen classes presented a flag and scarf drill before the Assembly. This program was received with great enthusiasm.

The class officers are: Billy Lange, President; Betty Johnson, Vice President; Carolyn Zwieg, Secretary, and Meredith McCloud, Treasurer. Miss Baumgartner is class advisor.

Freshmen

The Freshman Class has been one of the largest in the history of Mayville High School. During the year, the class played an important part in Athletics, Forensics, and other school activities. A large number entered the Declamatory and Oratorical contests, three girls being selected for the local Declamatory contest, and one boy chosen to represent us in Oratory. One boy and one girl acted as alternates in the District contest. Several of the boys played on the "A" and "B" squads in football and basketball. The class officers are: President, George Bennetts, Vice President, Melvin Loehrke, Secretary, Ethel Stueber, Treasurer, Alex Lehner, with Miss Grenzow as class advisor.

Conference Games

WEST BEND

The Red and White again stepped into the lime light as serious contenders for the Little Ten Championship by defeating a strong West Bend team, 32-0, in the season's opener. Kinsley, Mayville's midget quarterback, was high point man of the game, scoring three touchdowns, one touchdown coming as a result of a spectacular 81 yard run. Strook, Genzmer, Herzberg, and Lindeman accounted for the remaining points. Welsch was a stonewall on the defense, playing the center position like a seasoned veteran. Coach Dunn sent in his entire force of reserves in the last quarter. Before the game ended, West Bend tried a desperate passing attack but only gained several penalties for successive incomplete passes.

OCONOMOWOC

Mayville played a hard game of football in downing Cooney 34-0. A touchdown was scored on the first play from a scrimmage on an end run by Kinsley. A second touchdown came as a result of a bad kick which was forced by the line charging. This was followed by a series of plays, and once more the ball was carried over by Kinsley. The interception of a pass by Langenfeld and his return behind perfect interference placed the ball in a scoring position for a third touchdown. The line play was made by Genzmer who scored, and so ended the first quarter 20-0 in our favor. In the second quarter a pass from Strook to Magyar resulted in a touchdown, and Strook placed a kick which was good for the extra point. During the third quarter a

fumble by Cooney was recovered by Baertschy. This gave Mayville the ball in scoring territory. A pass from Genzmer to Loehrke brought another touchdown to the Red and Whites. Herzberg placed a kick for the extra point.

BERLIN

Mayville celebrated her Homecoming by trouncing Berlin, 20-6. The first touchdown came early in the first quarter as a result of a blocked kick, the ball being recovered by Loehrke for a touchdown. The extra point was good on an end run by Kinsley. The second touchdown came a little later on with a line plunge by Genzmer. The try for extra point failed. In the third quarter "Shorty" went over for a touchdown on an end run. Berlin, by a series of passes, made a touchdown in the last few minutes left to play.

BEAVER DAM

The game against Beaver Dam was played in a sea of mud and Mayville proved to be the best "mudders," winning by a score of 19-0. Our first touchdown, after a sustained drive from the opening kickoff, had the final played by a pass to Herzberg from Genzmer, Genzmer carrying it for the extra point. A punt blocked by Schellpfeffer was picked up by Kahlow who carried it 40 yards for a touchdown. After being penalized half the length of the field, Kinsley, on a line plunge, carried the ball 88 yards for a touchdown. Mayville played hard football, making breaks and taking advantage of them. The Red and Whites outplayed Beaver Dam gaining 378 yards to 53 yards from scrimmage, but were penalized 170 yards to 25 yards which was a great factor in keeping the score down.

RIPON

Mayville defeated a hard fighting Ripon team Saturday 19-13. Ripon

led at the half but the Cardinals were not to be denied and scored two touchdowns the last quarter. Our first touchdown was made by Kinsley on a wide end run. Our second came early in the fourth quarter as a result of a consistent drive, Genzmer taking it over for the touchdown. Our third touchdown came when a pass from Genzmer to Kahlow put the ball in scoring distance. A penalty for unnecessary roughness by Ripon put the ball on the 10 yard line, Genzmer again carrying it over for a touchdown. Ripon made their first touchdown when a pass put the ball in scoring position about one yard from the goal. After four tries, they finally succeeded, Fallon carrying the ball. Later in the second period, Fallon intercepted a pass and made a touchdown. The try for the point failed. The second half saw a real Mayville in action. Although they were outweighed, the Cardinals were playing hard. Ripon's famous offensive team was held to a standstill while we were busy making touchdowns which won the game.

HORICON

Mayville met with little interference against their old rivals, and the game ended with a score 36-0. About 35 of our boys saw action, with 5 Seniors playing their last high school game. The end of the season finds Mayville still undefeated, and winners of the Little Ten Championship three years in succession.

Football Banquet

The third annual athletic banquet was held at the Gym on November 30. The banquet was attended by many of the business men and their wives.

Mr. Buth was toastmaster and introduced the speakers. Mr. Biberstein who officiated at all our home games, gave a short talk on the value of co-operation, hard tackling, and blocking in winning football games.

Mr. Bussewitz, President of the Little Ten, presented the trophy to Mr. Dunn. This is the third year in succession that Mayville has received the trophy.

Ray Welsch, Captain of the team, accepted the awards for the team, and thanked the people for their interest in the squad. Ray also presented Mr. Dunn and Mr. Whitford with sweaters as a mark of appreciation for their fine work with the squad.

Mr. Kurt Ruedebusch was to present the letter men with gold footballs, but due to delay they did not arrive on time.

Other speakers of the evening were Mr. Dunn, Mr. Whitford, Dr. Francis Bachhuber, Mr. Johnson, and Mr. Thiel.

Basketball

Mayville has enjoyed one of the most successful seasons ever played by a team representing our school. They tied for the championship in the "A" division of the Little Ten and won undisputed championship in the "B" division of the Little Ten. The "A" team won the District Tournament at Beaver Dam and won the honor to play in the State Tournament. Three letter men are graduating this year, John Loehrke, Milan Lindeman, and Ray Welsch.

Conference Games

WEST BEND

Mayville defeated West Bend in the first conference game of the year with a score of 22-8. The first half of the defense and offense was fair. West Bend only had one point. The second half saw Mayville's defense crumble and it was West Bend's poor playing rather than our good playing that kept the score where it was.

WAUPUN

Mayville played a good game of basketball the first half of the game with Waupun, making 17 points. Mayville's driving offense seemed to have Waupun baffled during the first half. The second half Waupun's defense strengthened a little and the game progressed slowly, but Mayville came out ahead 19-6.

HORICON

Mayville met Horicon Friday and entirely outplayed them by winning 27-15. Mayville's playing during the first half was rather slow, but our boys began to work during the second half which resulted in our victory.

OCONOMOWOC

Mayville dropped back into a tie with Columbus for the lead in the Little Ten Conference. Oconomowoc, one of the best teams in the conference, was out to win and earned their victory. Mayville played hard, but due to the recent illness of many members, did not have the endurance to keep the pace up and fell behind, losing by 18-12. Mayville, however, was almost 100% on free throws, making five out of six attempts.

BEAVER DAM

Mayville defeated Beaver Dam at Beaver Dam 20-11. The fellows still showed the effect of illness. The first half ended 4-5 in our favor. The

floor. The boys pepped up and the second half saw a new team on the game ended in a victory for us.

COLUMBUS

Mayville played their best game at Columbus, winning by the small margin of 15-13. Columbus led until the last five minutes, when Mayville made two more baskets thereby winning the game.

HARTFORD

Mayville retained her lead in the Little Ten Conference by defeating Hartford 20-14, holding the lead throughout the game. Hartford seemed unable to gain any "ground."

BERLIN

Mayville defeated Berlin in a good defensive game. The score was 16-5 at the end of the game. Mayville only allowed Berlin one field goal during the second half. In the first half, Berlin got only one field goal and a free throw. Mayville worked well both on defense and offense.

RIPON

The final conference game was played at Ripon. The student body and townspeople alike supported the boys well by attending the game, and the boys no doubt had a real thrill in playing their last game before such a well filled college gym audience. Ripon defeated Mayville 15-12 and as a result tied the Cardinals for leadership in the Little Ten. Ripon's offensive seemed to function while that of Mayville was slow due to a tendency to freeze on the ball. Mayville started out with a rush and got an early lead but failed to keep it. Ripon made 9 free throws while Mayville made 6 and missed 5.

District Tournament

Mayville played good basketball for three days and won the district tournament at Beaver Dam. Mayville played Columbus the first evening and Columbus carried the same fight and pep they displayed earlier in the season. The game was close throughout, ending in a 16-15 score.

Mayville played Beaver Dam in the second game of the tournament. This game was a little easier and a lot rougher, two Mayville players and one Beaver Dam player having to be taken out on fouls. Mayville's lead was never threatened and the game ended 25-18 in our favor.

Mayville met Ripon on the last night of the tournament determined to win. The boys played good basketball throughout the game. The lead went back and forth, and finally Mayville kept the lead long enough to win the game. The final score was 18-15.

This is the first time that Mayville has won the District tournament and we have every reason to be proud of our team and the Coach, Mr. Dunn, for bringing this honor upon the school.

A large trophy was given to the school and each player received a gold emblem.

State Tournament

The State High School basketball tournament was held at Madison the last week in March. Beloit High School was victorious and are the state champions.

This was the first state tournament Mayville has ever attended and lack of experience showed considerably in the games Mayville played. Our players averaged less than six feet in height, while most of the teams averaged over six feet. Our average age is 17 years, while those of the other teams were 18 or 19 years. Mayville can be proud of the showing they made, although the scores are not so impressive.

Mayville played Wausau the first day. Our boys seemed lost on the large floor but managed to play a good game. The second day Mayville played Madison East and the boys tried hard and profited by the experience gained from the night before but could not get enough points to win.

Tumbling

During the past year, under the able direction of their instructor, Mr. Maple, the tumbling classes put on five very entertaining exhibitions, four of which were at basketball games. The last performance, in which both the boys' and girls' clas ses took part, was at the Athletic show. These entertainments were highly complimented, and greatly enjoyed. Next year Mr. Maple hopes to have a much larger class to work with which will make the exhibitions all the more entertaining.

The band consisting of 50 pieces, took part in the Tri-City Music Festival for the fourth consecutive time.

We feel certain that Mayville may be justly proud of this organization, and take pride in helping the members to attain success in their music.

The Junior band, consisting of about 30 members, has also been progressing rapidly.

Another feature, the German band, played for the Hobo parade and Class Play.

Almost all of the girls who were Tenderfoot Scouts will have advanced to the rank of Second-Class. New regulations have been instituted this year, which makes it harder to attain the higher ranks and merit badges.

Troop 1, the Lily-of-the-Valley Troop, consists of the younger girls who usually prove to be the most energetic of all. Miss Seim is their captain, with Miss Hardaker, Miss Woodhall, and Mrs. Christensen as lieutenants. They furnished tallies and score pads for the card party given by the Community Committee.

Debating Team

The question for debate this year was one of great interest, not only among high school students, but also among the merchants and residents of our community. It was stated as follows. "Resolved, that the several states enact legislation for compulsory unemployment insurance."

About thirty students tried out for debate and elimination contests were held after which six regulars were chosen.

The Negative team was composed of Lawrence Kinsley, Elvie Pieper, and Gregory Langenfeld.

The Affirmative team included Delor Herzberg, Harold Koepsell, and Cleo Buerger.

The Conference debates resulted as follows:

	Mayville	Opponents
Mayville Neg. vs. West Bend Aff.	100%	98%
Beaver Dam Neg. vs. Mayville Aff.	97	100
Mayville Aff. vs. Horicon Neg.	100	99
Hartford Aff. vs. Mayville Neg.	95	100

Our teams also took part in the State Forensic Contest held at Ripon April 23.

Homecoming

This year's homecoming was certainly an event to be remembered. Evidences of extensive preparation and splendid cooperation were displayed on all sides. The business men again gave us their support and added to the spirit of the occasion by decorating their windows.

Even the unfavorable weather did not repress the enthusiasm of the crowd, and Mayville's interest in school activities was indeed shown by the large gathering which had assembled on Friday night to witness the Hobo parade and bonfire. Prizes were awarded for the best hoboes, and the cheer leaders lead several rousing cheers for our wonderful team.

Saturday dawned bright and clear and everyone was on deck again to witness the game against Berlin which resulted in a victory for us.

Then, time to draw a breath, and we're back to the Gym for the Carnival dance, meeting our schoolmates and Alumni amid showers of confetti.

The hands of the clock point to eleven, we hear the strains of "Good night Sweetheart," and, all to soon, our 1931 Homecoming has drawn to a successful close.

Junior Promenade

The Prom, sponsored by the Class of '33, was held on the evening of April 2.

The Gym was decorated in blue and white, arranged to represent a Dutch scene with large windmills and many tulips.

The Mid-Nite Rounders furnished the music. At 10 o'clock, the Prom Chairman, Vernon Schellpfeffer, with his Prom Queen, Cleo Buerger, led the Grand March. They were followed by Gregory Langenfeld, Senior Class President, and his partner, Mary McCloud.

Punch was served by three girls dressed to represent Dutch maidens.

The Prom was voted a great success.

Music Festival

The combined bands, orchestras, and choruses of Horicon, Columbus and Mayville presented their third successive Music Festival at Horicon, April 29, Mayville, May 3, and Columbus, May 6.

The program at Mayville was given under the direction of Miss Espy and Mr. Maple. The directors and the various organizations deserve a lot of credit for the amount of time and effort spent and the wonderful results obtained.

Senior Review

How swiftly time flies! It seems but a short time ago that we as Freshmen, forty-seven in number, crossed the threshold of Mayville High. But during that short period we learned that real success is the result of a clear, strong purpose. Usually Freshmen are timid, but no one can say that of us. To prove our worth, we were represented in all school activities. We chose as our officers Merlin Strook, President, Jane Steeholm, Vice President, Lorella Guse, Secretary, and Mary McCloud, Treasurer.

Our Sophomore year found us smaller in quantity but remaining unchanged in quality. We showed our superiority again by being strongly represented in the various activities. Our officers this year were Ray Welsch, President, Mildred Wendt, Vice President, Lorella Guse, Secretary, and Mary McCloud, Treasurer.

Our Junior year was even more eventful, and we were still recognized as the most active class in school. We elected Andrew Magyar, President, Hazel Voss, Vice President, Harold Schroeder, Secretary, and Wallace Pasbrig, Treasurer. Seventeen of our boys were represented on the gridiron, five on the basket ball floor, and we won the cup given to the class excelling in Athletics. The band and orchestra also claimed several of our members. Although we sponsored an All-School Mixer and several parties, the outstanding social event of our Junior year was the Prom. This was held in the Gym, stunningly decorated in red and white, the Senior colors. The grand march was led by Andrew Magyar and Mary McCloud. Due to the large crowd which attended and the favorable comments heard, the class felt more than repaid for their hard work.

Not enough can be said of this, our last year. In it we have done all we set out to do and more. It has been a year of hard work and good times, time well spent. We elected Gregory Langenfeld, President, Robert Bernard, Vice President, Elizabeth Bradtke, Secretary, and Paul Wagner, Treasurer, with Ray Welsch, Editor, and Andrew Magyar, Business Manager of our Annual. We began the social events of the year by giving a Mixer, followed by the Homecoming dance. We contributed eleven men to the football squad, and four to basketball. Ray Welsch was elected Captain of the football team after having played for thee years without a defeat. Both cheer leaders were members of our class. Two of our class were on the debate team, and we were represented in Declamatory and Oratory, Mary McCloud winning third place in the District Contest. As in former years, we were well represented in the band and orchestras. The part we have taken in activities shows that we have been active contributors to the success of the school. Our class play, "That Ferguson Family" was presented before a full house, on April 26. We were able to publish this edition of the Rocket without the aid of class dues.

We are now on the eve of our graduation. Only time will reveal the fate of each individual, but our hopes for the future could not be brighter.

Farewell!
